

# HIV Pre-exposure Prophylaxis (PrEP) Training

May 16, 2018 5:00-7:30 PM Room A100-1  
University of Illinois College of Medicine at Peoria

*Food & Refreshments at 5:00 PM Program at 5:30 PM*

Provide training, information, and resources for Emergency Physicians, Family Medicine Practitioners, OB/GYNs, Behavioral Health Practitioners, NPs, and APNs to increase the knowledge and skills to provide PrEP to patients at high risk for contracting HIV.

Speakers and panelists include **Dr. Sharjeel Ahmad**, UICOMP Positive Health Solutions, **Michael Maginn**, Illinois Public Health Association, as well as representatives from UICOMP Positive Health Solutions, Planned Parenthood of Illinois, Central Illinois FRIENDS of PWA, Inc., and Peoria City/County Health Department.

Financial support for this event generously comes from the Illinois Department of Public Health.
