## ***The ACCEPT Study***

The ACCEPT Study is being conducted for research purposes by Dr. Sarah Woolf-King and Dr. Stephen Maisto at Syracuse University. Participants will be randomly assigned to receive a treatment that focuses on alcohol use and other health practices among people living with HIV.

To be eligible, you must be HIV+, currently prescribed ART medication, and a regular alcohol consumer

Participants will have 5 telephone-based appointments (60-90 minutes each) and 4-6 telephone-based treatment sessions (30-45 minutes each) over a 12-month period.

Participants will be compensated for their participation.

Participants must be able to provide a home address for mailing purposes.

To see if you are eligible call us at **315-443-2451** or email [accept.study.su@gmail.com](mailto:accept.study.su@gmail.com)
